Supplier policy

Supplier policy

It is the policy of the group that we always conduct our procurement activities with integrity, thus we select suppliers which adhere to our ethical objectives, and which support the principles in our ESG group policies.

We will act with due diligence in managing risks in our procurement procedures and support Do-No-Significant harm principles on all ESG related aspects.

We will act with transparency and work together with our suppliers on improving any challenges and issues.

Policy statements

We will live up to our policy by:

1. Maintaining a Supplier Code of Conduct which enforces the compliance to UN Global compacts ten principles, UN Guiding principles and OECD guidelines for multinational companies
2. Survey and audit suppliers to ensure a common level of understanding of the requirements in the Supplier Code of Conduct
3. Communicate on challenges in our supply chain and actively mitigate risks
